## M. CHAPOUTIER ERMITAGE BLANC DE L'ORÉE 2022

Already the interplay of flint, smoke and honeycomb aromas of this wine tells you that it is a great and unique white Rhone. Gigantic concentration and vitality on the full-bodied but totally focused palate. The salty and stony minerality cascades over your palate. Don't bother to try and count how long the finish is, because it goes on and on and on. The magic is in the crystalline purity and mind-blowing delicacy. From biodynamically grown grapes. Drink or hold.
